Dear Mr. Wolfberg,

Enclosed is a small token of our appreciation for your superb work. I appreciate your effort and persistence on behalf of my son, John. While I hope my family and friends are not in need of your services, I'm realistic, and I'll provide my friends with my unqualified highest recommendation to use you. My brother is a detective (and former patrol officer like you) with 25 plus years of experience, and his perspective is we're fortunate to have you represent us.

Thank you again and we hope you have a great summer.

With kind regards,
